OBJECTIVE

Motivated B.Tech Information Technology student with strong Python skills, eager to learn new technologies and work on real-world projects. A proactive team leader with excellent teamwork abilities, seeking an opportunity to apply my skills and contribute effectively while gaining hands-on experience.

SKILLS

- **Programming:** Python, C (Basics)
- **Data & Tools:** SQL (Learning), Problem-Solving in Python, VS Code, MS Excel
- **Soft Skills:** Teamwork, Leadership, Adaptability, Time Management, Quick Learner, Critical Thinking, Responsibility

INTERNSHIPS

CURIOUS WINGS
Data science

CHENGALPATTU, TAMIL NADU
01-12-2025 TO 30-12-2025

PROJECTS

Line Follower Robot (Mini Project)
Panimalar Engineering College

- Built an autonomous robot using **Arduino**, **IR sensors**, and **motor drivers** to detect and follow a predefined path.
 - Programmed control logic to process sensor feedback and adjust motor movements for accurate path tracking.
 - Gained hands-on experience in **embedded systems**, **sensor integration**, and **robotic automation**.
-

EDUCATION

UNDERGRADUATE DEGREE

TIRUVALLUR, TAMIL NADU

- Panimalar Engineering College
- B.TECH INFORMATION TECHNOLOGY
- CGPA: 7.5/10

SEP 2024 TO SEP 2028
